Featuring the Estate of Elizabeth Bonnar "Lizzie"

Loved beautiful things, she loved to look at them, acquire them and create them.

Lizzie loved to decorate, cook, garden and immerse herself in fine embroidery and making jewellery. She was a sentimentalist and was drawn to the past; she loved the old stories and creations, art effects and memorabilia from days gone by. She surrounded herself with them. Lizzie had a generous heart, she wanted to share her joy with others and so she created a wonderful home and designed a spectacular garden in which she entertained her friends, on the family's part they just simply relaxed in the beauty she created, Jill Baird (sister- executor) "We relaxed in the beauty she created in the house and garden"

Elizabeth was a wonderful client and character at Amanda Addams Auctions and has been much missed!
